Dear Brandon:

Please find attached the executed quote #032480-01 for the Hollywood Media BID. I have crossed out and made a notation that the color will be selected prior to the fabrication of the trash receptacles as you will be sending me samples of the green colors.

Thank you,

Subject: Revised Quote 32480-01

Hi Lisa,

Here is your revised quote! We were originally talking about the wide opening lid, as an additional lid to go on the trash cans instead of the normal flat lid, which would have made it \$55.

Since it is in addition to the flat lids, it is \$145.

Since our flat lids are \$90 and come standard with our trash cans, anytime you upgrade a lid for a trash can you're ordering, we take that \$90 away from the cost of the lid. So if you're ordering the wide opening lid in place of one of the flat lids, it is \$55. If it is in addition to the flat lids that come with the trash can, it is \$145.

I know that can be confusing so call me with any questions!
